## 01. The Client

Insiders Corp, the renowned global corporation with offices around the globe is known for its niche services to keep companies safe. Even though their headquarters is located in Paris, France, they have offices and production centres in almost all the major cities across the world.

Their international team consists of professionals who have impeccable competence in fighting product counterfeiting and fraud, private investigation, compliance, anti-corruption regulations and risk management and it helps the firm to offer services and products that are unmatched in the industry to their client.

## 02. The Requirement

Insiders Corp wanted to develop a platform that would help their clients to understand the challenges of online counterfeiting and brand protection.

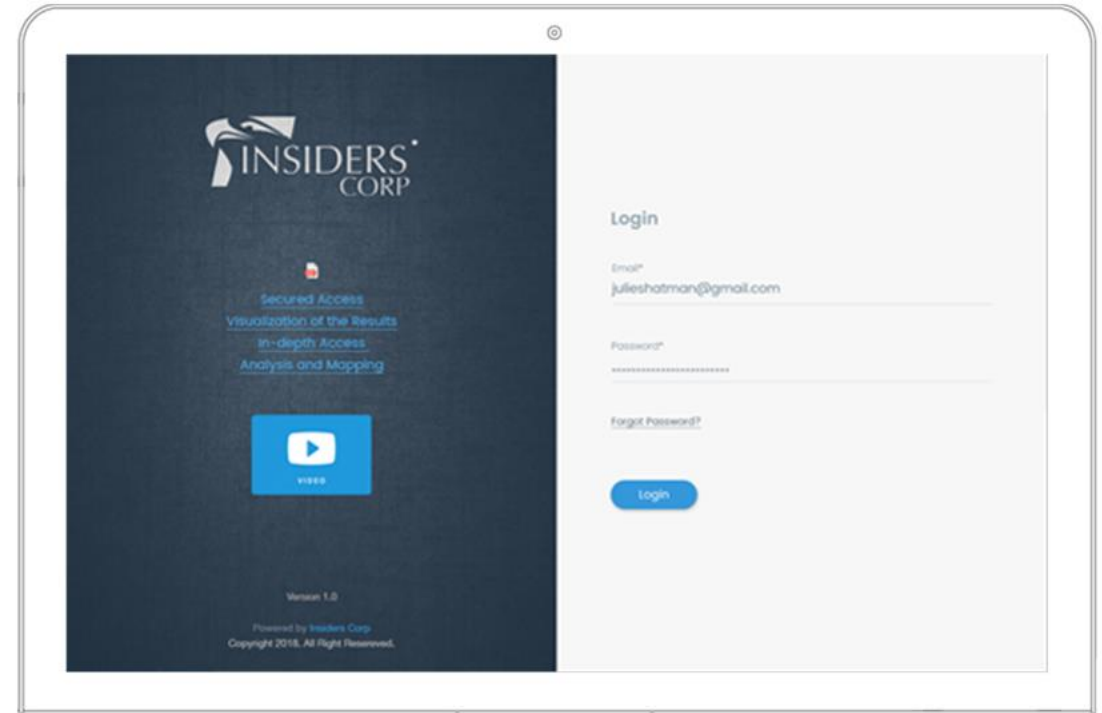

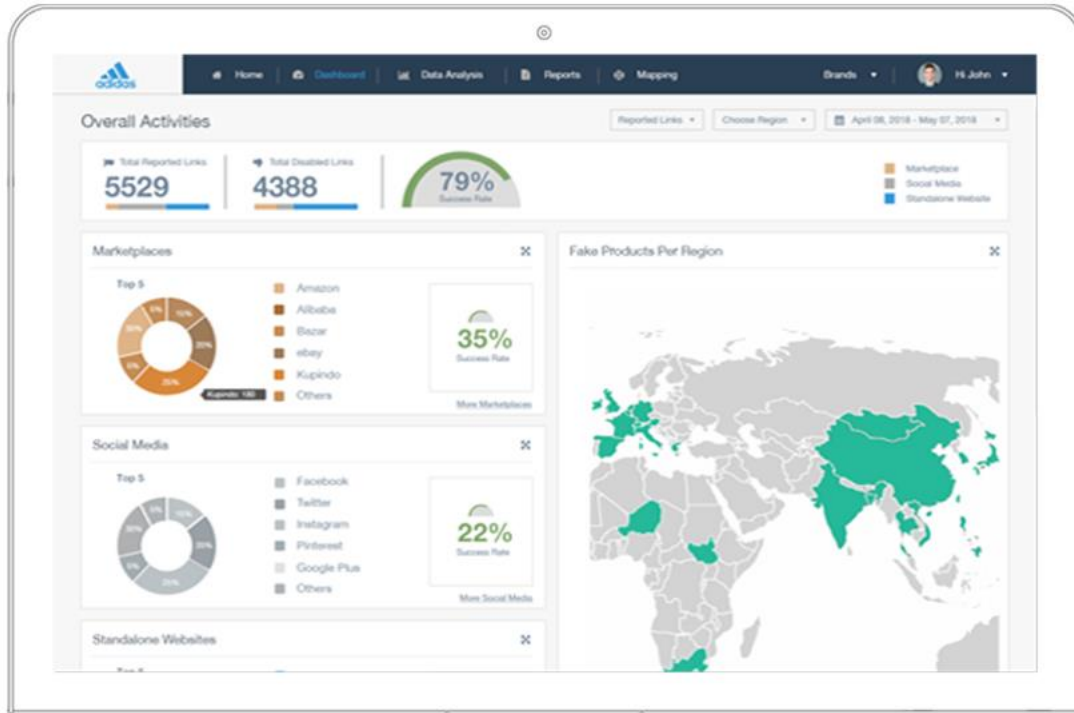

## 03. The Solution

AlignMinds developed a web-based solution to depict the counterfeiting data in various visual representations, maps and graphs to give in-depth data analysis and generate reports based on these data.

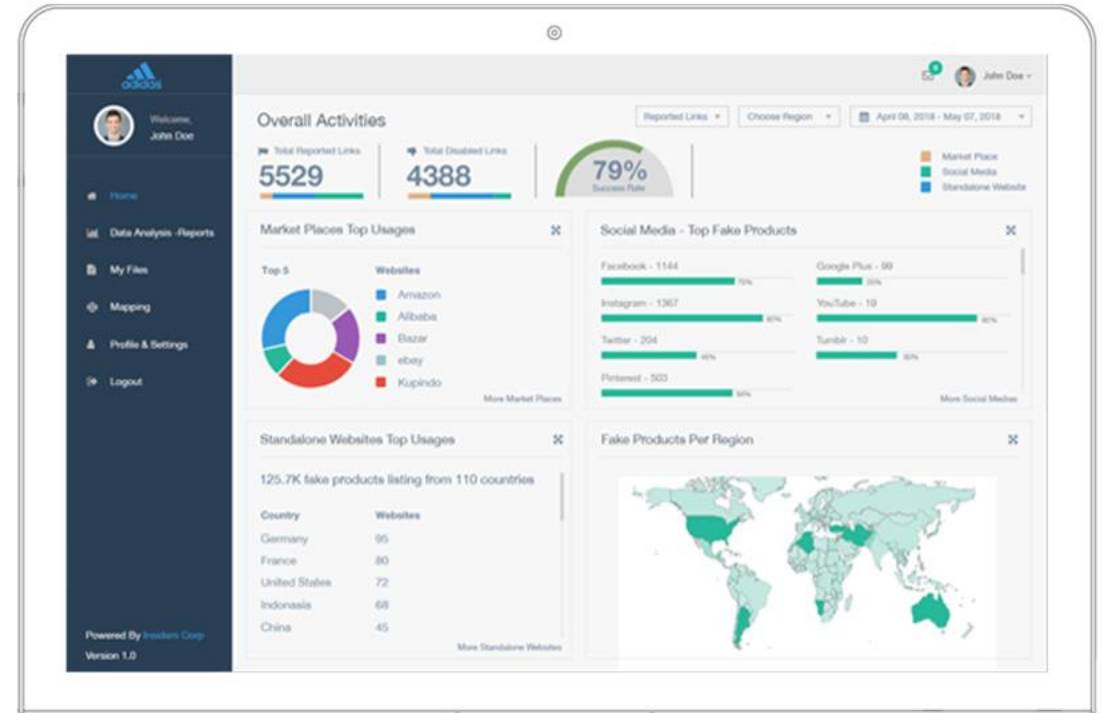

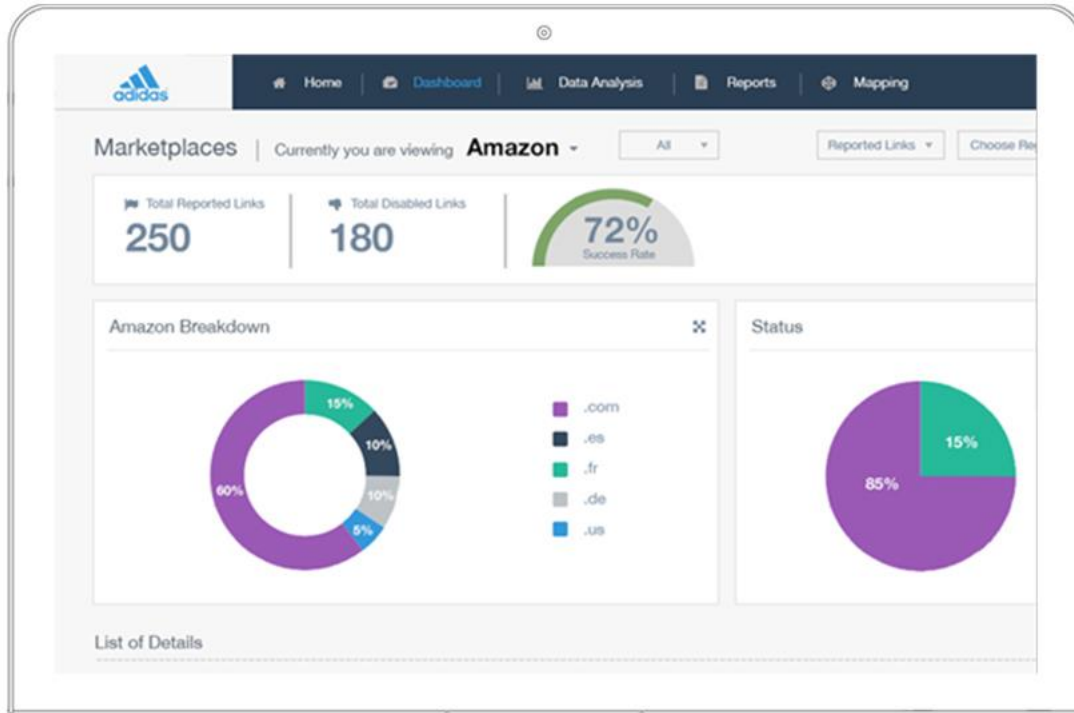

## 04. Features

- Data-Driven Diagrams, graphs and different graphical representations of data.
- Screenshotting system that helps in taking screenshots of different platforms and convince the clients about the existence of fake products.
- Periodic reports are generated based on the available data for detailed analysis.
- Mapping between different contacts is available to identify the same entity with different emails and links.
